OFFICE OF PETITIONS

In re Application of	:	
Brinker, et al.	:	
Application No. 10/031,024	:	ON PETITION
Filed: March 28, 2002	:	
Attorney Docket No. NL 000287	:	
For: SPECTRUM MODELING	:	

This is a decision on the petition, filed May 10, 2006 (portions of the petition were filed on April 28, 2006 and May 1, 2006, as well) , under 37 CFR 1.137(b) to revive the above-identified application.

The above-identified application became abandoned for failure to timely submit a reply within three (3) months of the mailing of the August 2, 2005 non-final Office action. No response being received and no extensions of time being obtained, this application became abandoned on November 3, 2005. A Notice of Abandonment was mailed on February 17, 2006.

Applicants have submitted an amendment in reply to the August 2, 2005 non-final Office action, an acceptable statement of the unintentional nature of the delay in responding to the August 2, 2005 non-final Office action, and the petition fee.

The statement of unintentional delay was not signed by a person who would have been in a position of knowing that the delay in filing a timely response was unintentional. In the event that petitioner has no knowledge that the delay was in fact unintentional, petitioner should make a reasonable inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must so notify the Office. A courtesy copy of this decision is being mailed to petitioner. However, any future correspondence regarding this application will be mailed to the address of record.

The petition is **GRANTED**.

After the mailing of this decision the application will be forwarded to Technology Center AU 2626 for consideration of the amendment filed on May 1, 2006.

Telephone inquiries should be directed to the undersigned at (571) 272-3230.
